

2006 AEES Student Conference Awards

To assist the attendance of students at the 2006 Annual Conference, the American Ecological Engineering Society is pleased to announce the 2006 AEES Student Conference Award Competition. A maximum of fifteen (15) student AEES members will be selected for this award, and will receive up to \$300.00 as reimbursement for travel expenses to attend the 2006 meeting.

To apply for an award each student must submit the following to the AEES Secretary/Treasurer via email (Jay Martin, martin.1130@osu.edu) by February 10th, 2006.

- A copy of their conference abstract.
- Contact information, and the name of their advisor.
- A budget of travel expenses to attend the conference (Only travel-no lodging or meals).

To be eligible for an award each student must meet the following requirements.

- Make a presentation at the 2006 conference (either oral or poster, and first authorship is preferred).
- Participate in the student design competition at the 2006 meeting.
- Be an active student member of AEES (membership dues can be paid with conference registration).

Awards will be based on the following criteria.

- Quality of abstract.
- Maximizing the representation of universities. No more than three awards will be giving to students from one university.
- Encourage participation of students from new institutions.
- The AEES Secretary/Treasurer will evaluate the applications, and make a recommendation to the AEES Executive Board who will determine the award recipients.

Awardees should send their travel receipts to the AEES Secretary/Treasurer at the conclusion of the 2006 conference. Afterwards, awardees will receive a reimbursement check, not to exceed \$300.
